BRIDGETOWN PRIMARY SCHOOL

Online Third party Permission Form

Dear Parents and Guardians,

Our school provides access to Department of Education online services. These enhance the contemporary learning opportunities available to students and the range of teaching tools available to staff to deliver the Western Australian Curriculum.
Bridgetown Primary School also utilises extra services to supplement and extend our students learning, offering access to students, parents and caregivers at home. The services we use, are also in place to support student learning in case families need to implement Distance Learning in the home.

I am writing to seek approval for your child to be given access to these online services. The Department's online services currently provide students with access to:

- the internet, with all reasonable care taken by central office and schools to monitor and control students' access to websites while at school;
- online teaching and learning services such digital resources;
- online file storage and sharing services; and
- these online services at locations other than school.

Please Note: *A Third Party Online Permission Form will need to be completed for each of your children attending Bridgetown Primary School.*

There are Apps listed that are used in some year levels and not others. You are giving permission for the use of these Apps at different times whilst your child attends Bridgetown PS. If there are any updates to Third Party providers, you will be notified by the school.

I would appreciate you completing this online form ASAP **before Tuesday 18th May, 2021.**

If you don't have access to a computer you may access the use of a computer in the school library on Tuesday to Thursday, from 8:30am to 3:15pm. You will need to use your child's login details. Alternatively, the school can provide you with a paper copy of the Third Party Online Permission Form. Please request a copy from the Office.

Kind regards,
Judith Dadson
Principal
